If you are a former Energy Services Coalition member, then you know that the ESC provides a unique forum in which all stakeholders can work together to address and overcome barriers limiting the effective use of GESPC. If you are still involved in guaranteed energy savings performance contracting (GESPC) programs, products or services, then coming back to the ESC may be right for you. Please consider renewing your membership. I hope you will be able to re-join us and get involved!
Benefits Include:

- Monthly members only newsletter
- Speaking opportunities at annual ESC Conference
- Discounted conference registration fees
- Membership in your state’s ESC Chapter
- Opportunity to participate in local Chapter meetings and events
- Listing in the ESC membership directory

ESC State Chapter Network

The ESC supports a network of state chapters across the country. The main mission of these state chapters is to provide statewide, on-the-ground education and information on GESPC.

The ESC works directly with Chapters and State Program Managers in a variety of ways. These efforts include:

- Quarterly Conference calls for State Program Managers.
- Provide technical assistance to State Program Managers
- Provide assistance and feedback on state program design
- Assist Chapters develop and deliver statewide presentations
- Provide access to ESC Resources (job calculator, case studies, standardized contract templates)
- Support and maintain State Chapter webpages
- Support and maintain State Chapter Facebook page
